I really enjoyed my capstone course. I hope to see you when I come back for my Master's.

The class was very structured and the professor was clear on the goals and objectives of the course. The professor was willing to work with students and went above and beyond the call of duty to ensure the success of the students.

This was one of my favorite classes that I've taken. Dr. Girard was fair, informative, and fun.

Teacher did all that was expected of him.

Nothing to say.

Great class, thanks for teaching!
