Very good professor, always willing to help.

Dr. Girard helped us to understand what is happening in technology. His discussion and assignments helped me to learn new concepts, helped to research on new topics. I am getting to know new things because of this class. He guided us for deliverables. Thanks Dr. Girard

Dr. Girard was extremely helpful clearly explaining assignments and expectations. The videos and feedback videos on assignments were helpful to address shortcomings in original assignments throughout the course. I look forward to more courses taught by this instructor.

grades and feedback was timely until week 6. then feedback stopped.

I enjoyed this class.
