Wonderful teacher who goes the extra mile to provide students with all necessary tools for success.

Dr. Girard is a wise instructor who was able to connect "real world" instances to aid in classroom learning settings. I recommend taking his courses if he's available.

This was a great course! Prof Girard is an amazing instructor that dedicated his time into helping students grasp the basis of their senior capstone project. I would recommend Prof Girard to anyone that wants a Senior Capstone class that pushes you into creating/planning projects to push out to a customer. This class teaches you useful skills that can be adapted into the real world by carefully planning out a project and making sure requirements are met as expected. Again, amazing class and was very pleased with how Prof Girard handled lectures, study material, and assignments!
