Instructor's use of video was excellent. Also Dr. Girard was very caring during this Covid time.

Dr. John Girard is an exception professor. His guidance through dl2 videos and feedbacks has been extremely helpful to complete the course without any hiccups. I thoroughly enjoyed his course work planning and meticulous schedule and timely feedback.

Yes, the instruction provided in the videos were very helpful and instructive. Really appreciated your approach for this class. Thank you for all your help and support during the semester. I look forward to take any class that you teach and that I need. Note, I'm a Canadian myself too from Montreal but went to Ottawa University.

I really enjoyed the way the assignment instructions were presented.

Loved the format of the course. I do believe I would've been overwhelmed if all the deliverables for the course where individual assignments.

Thanks a lot for the great insights and making the course in more corporation style .
